Saved Searches now with notifications

Now you can set up regular searches that match the product, type of listing (Fixed Price or Tender) or approval status to make your browsing experience easier.

How to set up saved searches

1. Login to MyGDT to access GDT Marketplace
2. Use the filters and sort options to select your search criteria
3. Click on the icon 'Save This Search'
4. Give your search a name
5. At any time click on 'Saved Searches' to access your list of saved searches

All about: Notifications

Notifications are sent to buyers to inform them about listings they are approved for, changes to a listing and to confirm your bids or purchases.

Notifications can be turned on or off by managing your settings.

Refer to our user guides for steps on how to update your notifications.

If you have **never logged in** to GDT Marketplace, you will not receive notifications about the listings you are approved for.
