

GDT Marketplace has a series of notifications to keep buyers informed.

There are two methods of notification delivery

- **In-App** (sent to your messages page in Marketplace)
- **Email** (sent to your email account linked to your username)

To access and update your notification settings, log into MyGDT

1. Click on **More Options**
2. Select **Notification Settings**
3. Select or deselect the delivery method to match your notification preferences
4. Click **Save**

Message Settings

Search

Notification Type	Receive via In-app	Receive via Email
Listing Withdrawn	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

If changing batch notification settings above, any pending notifications will be sent immediately after saving.

Listing Withdrawn	A listing you are watching, bid on or purchased has been withdrawn by the seller
Listing Comments	A seller has replied to a question asked through the private Comments sections of a listing by you or anyone in your business that has the same role as you
System Announcements	When GDT needs to send a message to all users on the platform
Purchase Successful	Confirmation message that you have made a fixed price purchase or your bid on a tender was successful
Listing Ending Soon	To be notified 15 minutes before a listing on your watchlist or a listing that you have bid on is due to close
Listing Approvals	Your business has been approved to purchase a listing (<i>single or batched</i>)
Listing Changed	A seller has changed some detail on a listing that is on your watchlist or a listing that you have bid on
Purchase Unsuccessful	Confirmation your bid on a tender was unsuccessful
Saved Searches	If you have set up a saved search, and selected to be notified when listings match the search criteria a notification will be sent.
